

# Web-Empowered Church Church Covenant Agreement

We, the members of \_\_\_\_\_ faith community, wish to make a covenant with the Foundation for Evangelism (FFE) in support of the Web-Empowered Church ministry. We profess a personal belief in and relationship with Jesus Christ. We are accountable to the Holy Scripture and directed by the traditions of the church. Further, we seek to incorporate into our reasoning and interactions with others the key belief that we are acting in the name of Christ. We affirm that we will "Offer Them Christ" through the use of our gifts, our resources and technology. Recognizing that the nature of the technology upon which we base this mission can be utilized for either good or evil, we warrant that we will use these resources solely to express the love of Jesus Christ.

\_\_\_\_\_ faith community agrees to obtain the signature on the Web-Empowered Church Individual Covenant Agreement from each employee or member who submits any materials for use by the Foundation for Evangelism:
